LOUISVILLE, June 26.—To-day's game was marked by constant wrangling by both teams over Umpire Weidman's decisions. With Louisville one run shead in the ninth imins, Burkett kineked out a home run, tielng the score. In the tenticioning the Clevelands scored four runs on an error, a base on balls and two home runs. The home team then played for darkness and finally Weidman called the game. This so enraged the Cleveland players that several of them rushed at bim and began to shake him and use him roughly. The spectators crowded on the field and for a time trouble was expected. The pulice dispersed the crowd and the Cleveland players left the park. A crowdid small boys rocked the Spiders as they were leaving in their bus. Attendance, 1,000.

There is comfort in the knowledge, that so many forms of sickness are not due to any actual discass, the word of the system, which the pleasant family laxative, Syrup of Figs, prompting removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanlines without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to vote when you purchase, that you have the genula article, which is manufactured by the Callfornia Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. RELLAIRE All Sorts of Local News and Gossip from the Glass City. There was a frightful accident here yesterdary murning, when William Snodgrass tried to start a fire in the stove at his home, by pouring oil upon it. The can exploded, the house was set on fire and Snodgrass was so badly burned on the hunds, arms, breast and legs that the skin and portfons of the flesh came off. Snodgrass was covered with burning oil and gathering himself up from the floor he ran out into the yard. His cries attracted the attention of a neighbor woman, who wrapped a piece of, carpet about him and smothered the flames, but not until he was fatally burned. In the meantime the house was on fire. The fire department responded promptly and by good work saved the double house, with only damage to the part occupied by the Snodgrass family, and prevented a confagrastion in that frame neighborhood. Snodgrass was carried to the home of a relative just south of the railroad bridge, and brs. D. W. Boone and J. P. West summoned. Discovery. It doesn't work miracles;
but it does what other insdicine can't do
and what doctors say can't be done—until they see it done right under their noses
—it cures consumption.—Not always; it,
say that would be an exaggeration, but
in a large majority of cases; in advanced
cases which have been given up as hopeless.

The "Discovery" is not called a consumption-cure; it is a blood-maker. It
gives energy to the blood-making organs
to create new blood, full of healthy red
corpuscles. This rapid supply of pure,
rich, red blood drives out all diseases that
have their roots in the blood: Consumption is one of these; serofula, malaria,
eczema, crysipelas, catarrh—are others.
It is absurd to doctor them separately as
lung, or akin, or head diseases. They
must be driven out of the blood. You
can rely on the "Golden Medical Discovery" to do this every time.

It is not a patent medicine. It is the WANTED - TRUSTWORTHY PER-SON to travel. Salary \$150 and ex-penses. Reference. Enclosed self-ad-dressed, stamped envelope. SECRETA-RY, Box "P," Chicago.
